## Principals In District Are Announced

PLACENTIA — Principals for all but two schools were named last week by the Placentia Unified School District Board of Trustees.

In related action, the board authorized advertisement for one elementary and one secondary principal to fill the unfilled positions at Topaz Elementary School and Valencia High School.

Named to schools were Clayton Credell, Brookhaven; Marvin Dutcher, Fairmont; Dorothy Freeman, Glenknoll; James Bemis, Golden; David Hughes, McFadden; Nicholas Siokos, Morse; Sally Morton, Rio Vista; Wally Curl, Ruby Drive; Duane Mendell, Sierra Vista; Delos Eyer, Van Buren; Clayton Lee, Wagner; Gordon McKay and Earl Pratt, either Glenview or Orchard; George Bowman, Kraemer; Richard Owens, Tuffree; Joe Dunham, Yorba; Jack Meadows, El Camino Real; and Marvin Stewart, El Dorado.

## Sandy Lyon To Head ED Government

PLACENTIA — Sandy Lyon has been elected Associated Student Body President of El Dorado for the 1972-73 school year.

Rounding out the ASB cabinet will be Greg Heyes, vice-president; Karen Terhall, secretary; Clay Vreeland, treasurer; Sue Turner, activities chairman; Laura Bones, pep commissioner; and Karen Henderson, publicity chairman.

This is the first time that a girl will head the student government at El Dorado. Sandy was also the first girl to run for El Dorado's highest office.

Forty per cent of the ED student body turned out for the election, which was held March 13.

Leo B. Babich, center, of the National Municipal League, presents All American City Award to Mayor Richard Demmer, right, and former Mayor Robert Finnell, left, during ceremonies held Saturday.

## Residents Approve Plan To Team Elementary Schools

ANAHEIM — Plans to team Orchard Elementary School with the new Glenview Elementary School received general approval from area residents with the exception of the proposal to split the Kindergarten children between the two schools.

Two reasons for teaming the schools were brought out by Chief Administrative Officer John Tynes. He said that because of the irregular shape of the area, it would be difficult to draw boundary lines which would give approximately equal populations to the two schools. The other reason is to insure racial and ethnic balance in both schools.

With the new boundaries, the schools will receive students from Atwood north to Buena Vista and east of Rose Drive. They will also take students from part of the northeast area of the district near Fairmont School.

No final action was taken on new school boundaries pending further discussions with residents of the area. Board members indicated that action would be taken March 27.

Also proposed for teaming are the new Topaz School and Ruby Drive School, which would take a

large part of the present Morse attendance area. Again the main reasons are to provide ethnic balance in all the schools and provide an even student population split.

In the discussion on the Orchard-Glenview proposal, most parents speaking favored keeping the kindergarten at one school. Tynes said that he did not feel strongly either way about splitting the kindergarten and added that if they would all fit at Glenview, the primary school, they would all be placed there.

## Student Injured In Fight At Valencia High

PLACENTIA — A fight at Valencia High School Monday noon left a 15-year-old student injured with a deep cut on the cheek and police seeking his assailant, who fled after the incident, according to police.

Authorities at Valencia High School said that the 16-year-old assailant was not a student at the school. According to a statement from the school the victim was taken to the hospital where he was treated and released to his parents.

## Kreyche Is Appointed To Fill Position

PLACENTIA — Eugene Kreyche, presently serving as director of curriculum and supplementary education, was appointed to fill the position of personnel director vacated by Laurel Simpson earlier this year by the Placentia Unified School District Board of Education.

Kreyche has been with the district for two and one-half years. Before that, he was director of special services and assistant personnel director in the ABC Unified School District.

## Formal Presentation Of City Award Held

PLACENTIA — Mayor Richard Demmer officially accepted the All-America City award from Leo B. Babich of the National Municipal League during a ceremony held at Bradford Field Saturday afternoon.

The presentation followed musical performances by the bands from Valencia and El Dorado High School and by the Kingsmen Drum and Bugle Corps. In addition the Kingsmen drill team put on a display of precision marching.

Framed resolutions were presented to the city by Supervisor William J. Phillips, Assemblyman John Briggs and Mayor Henry Wedaa of Yorba Linda. Burt Sandiford presented a plaque from State Senator James Whetmore.

In addition congratulatory telegrams from both U.S. Senators, John Tunney and Alan Cranston, Governor Ronald Reagan and President Richard Nixon were read.

Congressman Charles E. Wiggins, who represented Placentia in Congress before redistricting, gave the address, complimenting Placentia on its winning the award.

Former City Clerk Donald Ian

MacInnes, also former pastor of the Placentia Presbyterian Church, gave the invocation and benediction.

Others present included Yvonne Smith, the All-America City queen; mayors from many cities in Orange County, members of the present City Council and many former mayors of Placentia.

The presentation of the award followed a parade which went from Kraemer Park to the stadium. Marching in the parade were the bands from the high schools, the Kingsmen, members of local youth organizations, and floats from several service clubs.

Yvonne Smith was named All America City Queen during the pageant held Friday evening at El Dorado High School.

## Three ED Girls Injured In Accident Early Sunday

PLACENTIA — Three girls, all juniors at El Dorado High School, were injured in an accident as they started for an early morning

horseback riding trip Sunday.

Karen Frank, 17, 914 Cobb, Placentia is in satisfactory condition at St. Jude Hospital Monday morning.

Miss Frank was the driver of the car, traveling north on Kraemer Blvd. It was struck by a vehicle driven by Edward J. Kennedy, 27, of 4661 Plumosa, Yorba Linda, traveling west on Yorba Linda Blvd, in the 8:20 a.m. accident.

The impact caused the Frank vehicle to roll over several times, spilling Miss Frank and her front seat passenger, Carol Breza, 1825 Tuffree, Placentia, to the roadway. A second passenger, Linda Rucker, 4902 Cartlen, Placentia, remained in the tumbling car. She was riding in the back seat.

Placentia police arriving on the scene administered first aid, and summoned ambulances which took the four to St. Jude hospital.

Miss Frank was treated for a broken pelvis and leg and other serious internal injuries, as well as abrasions. Miss Breza is being treated for a fractured left arm and severe abrasions caused as she skidded across the road surface. Miss Rucker has a concussion, broken clavicle, severe body strains and abrasions.

Kennedy, driver of the second car was treated for facial cuts, and bruises and body strain, and was released after treatment.

Witnesses stated that the Frank vehicle failed to stop for the red signal at the intersection, according to police reports. Both cars were demolished.

## Chamber To Oppose Plan In Election

YORBA LINDA — The Chamber of Commerce Board of Directors voted unanimously to oppose the present general plan in the referendum election April 11 and urged voters to cast a no vote on the issue.

The major reason for the chamber position was that the lower density of the adopted general plan will discourage commercial and business enterprises from locating in Yorba Linda because of lack of potential customers.

The chamber also discussed the proposed city entrance signs and work on the project is proceeding. The proposal has been approved by the City Council and is being partially funded by the Yorba Linda Womens Club.

Directors also discussed the improvement of the park at Imperial and Main Street which was recently replanted and cleaned up by the chamber using a \$2,500 grant from the city. The dedication of the park will take place in June.

Newly elected officers of the Placentia LULACs are, front from left, Emilio Gomez, president; Alex Segovia, vice-president; Sam Mendoza, chaplain; back from left, Dia Gomez, secretary; Bert Valadez, treasurer; and Carrie Burciaga, sergeant-at-arms. Gomez, originally from El Salvador, has degrees in math, social science and literature. He is now an employment specialist for Orange County.

## YL City Candidates Give Views

Robert  
Hollingshead

Four major points in the platform of Robert Hollingshead, candidate for Yorba Linda City Council, are to fight the Chino Hills Airport threat, to improve

park and recreation facilities, keep home taxes down and annex vacant land to the east of the city.

Hollingshead, 43, heads Hollingshead-Pryor Enterprises of Santa Fe Springs, where his business is to increase efficiency and reduce cost by engineering redesign of parts and equipment.

He is active in the

Chamber of Commerce and is a member of the board of directors of the Yorba Linda Rotary Club. He will serve as president of the chamber this year after having been vice-president last year.

He was involved in working on the development of the Imperial Park at Imperial and Main Street.

Sid Radus

Pledging to work for low density development in Yorba Linda, economical joint city-school recreation programs for children and for a minimum cost city government without a city property tax is Sidney L. Radus, attempting for the third time to win a seat on

the City Council.

Radus is a lawyer in Santa Ana and was formerly an executive and senior negotiator in the aerospace industry. He has lived in Yorba Linda ten years.

He was formerly a director and president of the Yorba Linda Homeowners Association and was one of the leaders in the fight to incorporate the city. He was also the author of the initiative and referendum on a zoning case a few years ago.

# ED Track Team Goes To Saddleback High

El Dorado's Varsity track team travels to Saddleback Thursday after sweeping past Brea by 20 points last week in their first Orange League meet of the season.

Outstanding individual efforts coupled with the Hawks depth in several events proved too much for the Wildcats. El Dorado's depth was apparent in two events, the 100 and the two mile, where the Hawks swept the first three places.

Among the outstanding individual efforts were Tony Madau's winning high jump

## VHS Swim

## Team Wins At BPHS

## ED Baseball Team Travels To Brea High

After closing out their pre-league season against Rancho Alamitos on Tuesday, El Dorado's Varsity baseball team travels to Brea Friday in the Orange League opener.

Against Rancho Alamitos the Hawks were trying to even their pre-league record, as they took a 4-5 mark into the contest. The Hawks were also in the midst of a two game losing streak, having lost their games to Los Amigos and Troy.

## VHS Track Team Wins

Racing past University High School 76-47 Thursday, VHS Tigers managed their first win of the season.

Steve Brown, a junior, put the shot 47' 5 1/2", for his life-time best, and was named field event man of the week. Brown also threw the discus 134' 9"

## Troy Tennis Team Belts Los Alamitos

Coach Norm Davis continued to experiment with different line-ups in Troy High's final two pre-league tennis matches last week; but the switching around made no difference to the Warriors as they belted Los Alamitos 22 1/2-5 1/2 and easily defeated El Dorado 17-11.

In Tuesday's match against Los Alamitos the doubles teams of Earl Lund-Miguel Pulido and Erik Young-John Simmons won all eight sets.

83-9. Steve Zerkie turned in one of the better times of the day with a 1:00.6 in the 100 yard backstroke, his best this year. Freshman Scott Claffey, who has been swimming well all year, had another outstanding meet, with outstanding times in the 400 and the 200 individual medley. Claffey is also the Hawks second backstroke.

### Sisterhood Rummage Sale Will Be Held

The Sisterhood of Temple Beth Tikvah, 1600 N. Acacia Ave., Fullerton, will hold its Sixth Annual rummage sale on Thursday, Friday and Saturday, March 23, 24 and 25 at the Brookhurst-Ball Shopping Center, next to the Post Office, from 9 a.m. to 5 p.m. each day.

Each year, monies from the sale have been allocated to the Sisterhood's campership fund to provide deserving students of the Temple's religious school with a summer camp program.

This includes awards for Camp Swig (the Union of American Hebrew Congregation's camp in northern California), as well as the Temple's Day Camp Program beginning late in June.

in Placentia, Sunday, March 19, when over 1,200 people visited the St. Joseph Table at the church Parish hall.

Foods of many nations, musical entertainment, and religious devotions marked the ceremonies. Recitation of the Rosary took place at 12 noon, 2 and 4 p.m. and the gathering partook of the foods.

The custom of a St. Joseph Table was originated following the Crusades, and is an Italian service, and has just recently been started in America to honor the foster father of Jesus on the day set aside in the liturgy of the Catholic faith as St. Joseph Day.

Mrs. Enedena Moreno of Placentia and Mrs. James Rice of Anaheim, along with many helpers, prepared and set up the St. Joseph Table in the Parish Hall, which proved to be an inspiring and beautiful scene.

WHAT IS U.S.D.A. YIELD 2 GRADED CHOICE BEEF?

Many people are unaware that beef may be graded in many ways: for quality and for yield grade.

Center Meat Co. goes to the extra time and expense of going into the packing house and PERSONALLY selecting extra lean, choice beef.

This beef is then yield graded by the U.S. Government Grader.

Yield 2 graded choice beef is leaner and has less waste than most other beef. We buy only the best of the choicest Yield 2 graded beef!

# Stacks Return From Germany Excursion

Frankfurt, Germany was the destination for the recent excursion taken by Al and Jo Stack of Yorba Linda. Although the main purpose of the trip was to attend the International Trade Fair on a buying trip for Al's business, the couple managed to combine business with pleasure and spent a delightful nine days.

After the four days in Frankfurt, they rented a car and motored to Rothenburg, a

twelfth-century completely walled city. Entering the city through the tower gates, they discovered a charming place, one of the few not bombed out during the war.

On to Nurnberg, they visited relatives and heard first-hand stories of the bombings that had taken place.

Before leaving for home, they drove on to Munich where they spent a day sightseeing with a visit to the site of the summer Olympics.

# Son Is Born To Gallaghers

Celebrating the birthday of Paul Stephen, latest addition to the family of Dr. and Mrs. Ed Gallagher of Yorba Linda, may be a problem, except on leap year of course, since the infant arrived on February 29.

Little Paul made his debut at St Jude Hospital and was promptly weighed in at eight pounds, one ounce, distributed evenly over his twenty inches.

Paul was eagerly greeted by his older sisters, Ellen, Laura and Ann, and his brother Patrick.

Happy grandparents include Mr. and Mrs. Stephen Gallagher of Fullerton and Glenn Cooper, who is staying with Dr. and Mrs. Gallagher in their Fullerton home.

# PTA Meeting To Be Held For Jr. High

Wednesday, March 22 at 7:30 p.m., Tuffree School will hold its Parent-Teacher meeting. A change of date was necessitated because of the Easter Holiday.

The meeting will be held in the auditorium of the school and the business of the evening will be nomination and election of officers, according to Mrs. Jack (Jeanne) Christensen, PTA president.
